

DRIVERS IN THE SPOTLIGHT!

Demo Derby is all about you, the driver. We want to help you build rapport with the crowd, so they will cheer you on.

We'll include a brief article about you in our event program book that is given to all attendees as they enter the arena. This will be your story about competing in demolition derbies, and we'll even use your photo if you want. After the event, you'll always have this book with your story.

It's easy to be included!

- Pre-register to compete in the Demolition Derby **by September 10th.**
- **Answer the questions on the back** of this page and mail it to us, with your registration forms by September 10th.
- If you have a good **photo** of yourself, please send it to us by mail with this form, or by **email for the best quality** (use the email address below). If you competed in our Demo Derby last year, we may already have your photo — just give us your car number.

That's all there is to it. Then you'll be in the spotlight as you compete this year!
